EXHIBITORS PLEASE READ THIS!!

Exhibitors are responsible for the accuracy of their entries. THIS IS WHY CONFIRMATIONS ARE SENT! Please review your entry information in the confirmation carefully. If any mistakes are found, please contact me as soon as possible. Move-ups must be received by 6 pm on Monday, July 17 via mail or email. NO PHONE MOVE-UPS!! **Questions? Email sue@creamcitycanines.com (preferred) or call 414-852-2681.**

Measuring/checkin: There will be at least one Volunteer Measuring Official at this trial. **All** dogs without height cards, including those that are in 24" regular class, are required to be measured. Failure to measured prior to running will result in cancellation of any qualifying scores or awards! If your dog needs to be measured, be sure to ask well before you are to run, and **bring dog treats**. You **MUST** check in with the gate steward no later than immediately after you have completed your walk through of the course. Failure to do so may result in your run being forfeited. Please be considerate to the workers and to your fellow competitors.

Crating/Site Info: The building has crating on two levels, so there is plenty of room if everyone conserves space. The first floor crating areas are for workers and for people who cannot go up and down the stairs. **If you cannot crate upstairs, you MUST arrive early or make arrangements to have someone save you space.** There is NO SMOKING ALLOWED in the building. Exhibitors and spectators are expected to keep the grounds and building neat and clean. Please pick up after your dogs and dispose of the waste in the receptacles provided. **Anyone witnessed not picking up after his/her dogs will be excused from the trial weekend with no refunds given.**

Setup: There is no exhibitor setup Thursday night. The building will be open at 6:45am each day of the trial.

Food: Food/beverages will be available for workers. No food can be available for sale but there are several fast food restaurants nearby & you are welcome to bring food in.

Workers: There will be a signup board posted at the trial for worker spots. We REALLY appreciate your help to keep the ring moving! Workers will receive food & beverages.

Run for Glory to support Charge Against Cancer

Please join us in honoring our retired agility dogs on Saturday,
and please consider a donation to Charge Against Cancer
so that the University of Wisconsin can continue
to work on treatment advances against this awful disease
that takes so many of our beloved dogs from us.
